It sounds like Pat thinks we'll have the space so I'd just order them and we'll place them where we can.

Dear JL:

Our office has just been notified that the additional BID trash can are ready to ship. I would like to know which address would be the best place to have them shipped to at the Hollywood Media Center. The BID would need to have storage for approximately 45 days in order to have them installed.

Let me know at your earliest opportunity.

Thank you
